

# Evil Restrained: The Big 4!

Sunday, July 26, 2020

- 1) At our core, are people good or bad? Do we just need to let the goodness from within shine through or restrain the evil within (Romans 3:10 & 23)? What are the wages of sin in 6:23?
- 2) Why did God give us a **conscience** (Romans 2:15, Titus 1:15)? When does it work for us and when does it work against us?
- 3) Why does God ordain **families** (Deuteronomy 6:6-7)?
- 4) What is the primary role of the **government** in Romans 13:1-7? Whose idea is government? What happens when we don't submit to it?
- 5) How does the **church** restrain evil (Matthew 5:13)? How important is it that we meet (Hebrews 10:25)?
- 6) Of the 4 above, which one had molded you the most? Which is hardest to submit to?
