

# God YOU Know

1) Read Psalms 139

↳ What do these passages tell us about God?

↳ What do these verses tell us about man?

↳ What impacts you the most?

2) Where have you been most surprised to find God was there?

3) When have you been impatient with God's treatment of injustice?

4) According to Luke 1:46-56 (and Ps. 98) What is God's response to evil?

5) How comfortable are you with letting God do the searching of you and dealing with the evil He finds there and in all the rest of creation?

6) How is Christmas the answer?
