1. Read the story in Matthew 24:42-51. Who are the characters, what are we to do, what are we not to do? What does it say about timing?
2. Complete the list of “Dos” and “Do Nots” found in chapter 24. Are you convicted to do better on any?
3. How many of the things from chapter 24 have we already experienced? What haven’t we?
4. Which generation is verse 34 describing?
5. What does a faithful and wise servant (v 45) look like in the tumultuous end times as compared to the Hypocrite?
6. As we keep watch (v 42) what specifically are you to be doing (v 46) till the master comes?
7. When can we quit, take a break, or retire according to verse 12, especially if it seems like most everyone else has?
