

Luke 13 – For a Second Time, Unless You Repent!

Sunday, February 21st, 2021

- 1) Is God more or less pleased with those who suffer or die tragically? Why do we die; why did Jesus come (Romans 3:23)? When someone close to us dies, should that bring us closer to the Father or further away?
- 2) Who do the characters in the fig parable represent? What are you doing with your gracious second chance? Why does the Father give us more time?
- 3) Is following Jesus about twisting or straightening, binding or loosening, bondage or freedom? Do you know freedom in Christ or do you feel obligated to God?
- 4) How is the kingdom like a mustard seed or yeast?
- 5) Why is the door narrow? How can you miss it, especially if you are first?
- 6) In this chapter, who is killing, destroying and holding back? Who is for life, blessing and more?
- 7) How can you miss out on Jesus' kingdom?
