

# Peace with God!

Sunday, February 17th, 2019

1. What brings us peace with God Rom. 5:1? Can you be justified and not feel peace?
2. Why don't we have peace according to Rom 3:17? Does the way of peace seem boring to you or is it really a desire?
3. What does outer peace look/feel like? Have you experienced it?
4. What does inner peace look/feel like? Have you experienced it?
5. How are you impacted by a Savior that weeps over our lack of peace (Luke 19:41-42)? Who do you weep for because they just don't get it?
