

Satan, Demons & Zombies... oh, my!

Sunday, Oct. 15, 2017

1. How do Genesis 3:1 and the “serpent” explain where pride, sin, death and evil come from?
2. How do Revelation 12:9-10 and now the “dragon” explain why our life is so hard? According to the Bible, what does the serpent or dragon do to people?
3. How does Ezekiel 28:12-17 explain where evil comes from? What was Satan’s original sin according to this passage? Who is creator? Who is created?
4. Zechariah 14:12-13 describes something zombie-like. Is it a good thing or bad? Blessing or curse? Life or death?
5. According to 1 John 2:16 and Gal. 5:19 Satan loves to tempt us with worldly lusts and sinful nature desires. Name one of each that you wrestle with.
6. According to Colossians 2:13-15 who won the cosmic battle? How? Do we have to stay in bondage to a defeated neutralized enemy?
7. Will some traditional and community “celebrations” this month glorify the Victor of the cosmic battle or the defeated? Is there a way we can attend or participate and still glorify our Savior without falling into bondage?
