

Show Up, Suit Up & Get in the Game

1. Why is a life in Christ not a spectator sport?
2. As a sinner, you were saved from something. What were we as the body of Christ saved to or for? What are you personally saved to or for? (Eph 2:10)
3. What is it that YOU can do for God's Kingdom? "And because you belong to Christ you are complete, having everything you need. Christ is ruler over every other power and authority." (Col 2:10 ERV) If this verse is true, what do you lack that is keeping you from doing it?
4. In James 1:22-24 how does the term "Sunday Christian" illustrate his point? Conversely, what does the life of someone described in verse 25 look like?
5. How can you *pay* all the gifts you've received from God *forward* to someone else this week?
