2. Does the previous Thessalonians verse require us to be participants in God's design for our lives?
3. How does Jeremiah 29:11-14a apply when we face times of adversity?
4. Read Genesis 37: 1-4—How does playing favorites so discord within relationships?
5. Read Genesis 45: 14-15—How is the interaction between Joseph and his brothers different now that their relationship has been restored?
