

2 Timothy 4: My Coat!

Sunday, November 7th, 2021

- 1) Where has the Bible most practically intersected your life?
- 2) Where do you feel “poured out?”
- 3) What part of the world that is persecuted for their faith is most on your heart?
- 4) How does the Spiritual/emotional intersect the relational/material for you?
- 5) What preparations do you need to make for your “departure?”
- 6) Who do you know is with you, who can you send off without you, who has left you? Who have you been reconciled to?
