- 1) ***“If God is for us, who can be against us?”*** Where are you most likely to quit living this truth?
- 2) ***“Who will bring any charge against those whom God has chosen?”*** When you feel or are told that you don’t measure up, how serious should you take it?
- 3) ***“Who then is the one who condemns?”*** According to these verse, where does condemnation come from? Where doesn’t it?
- 4) ***“Who shall separate us from the love of Christ?”*** What threatens your faith in this verse?
- 5) As we work our way through these 4 questions what do we become according to 8:37?
