

# The Battle is the Lord's (but ours is the training!)

**Sunday, Feb. 4, 2018 ~ Psalm 144:1**

- 1) Review 1 Samuel 17, the story of David and Goliath, and Psalm 144. Discuss your first reactions.
- 2) Why was David so confident when everyone else was intimidated?
- 3) Why is training so important if God gives the victory?
- 4) What battles have you been trained for and how might God want to use you?
- 5) With all of our training and with the armor of God in place, what is our part and what is God's?
- 6) Right now, do you feel like you are winning or losing the battle?
