

Consider Others

Sunday, July 29, 2018 ~ Philippians 2:1-4

1. **Consider God:** According to Phil. 2:1-2, how is our relationship with God described? What are the implications for us and others? Which do we do best; where is there room for improvement?
2. **Consider Others:** According to Phil. 2:3-4, how do we consider others? How does our treatment of others reflect our relationship with God? Which do we do well; where is there room for improvement?
3. **Consider Self:** According to Phil. 2:1-4, how do we consider ourselves? If we don't take care of ourselves, is that an excuse to love God and others less? If we manage our own interests well, what should that say about God and others?
4. Is "my joy complete?"
