

I Have Decided To Follow Jesus

Road To The Cross ~ John

1. In John 5:18, 7:1, 6 ,30, 8:59, 10:39 Jesus knew what was coming but the timing was not right. Give an example from your life when you knew both God's plan and timeline.
2. What do you suppose the disciples thought Jesus meant by statements like 3:14, 6:70, 10:11, 12:7, 23, 35, 14;3, 16:17, 28?
3. In John 11:16, do you think Thomas understood and was that courageous and loyal, or do you think he was being sarcastic?
4. In John 14:5, Thomas asks the question that gets the famous 14:6 answer. Do you think his question was sincere and what they were all thinking or something else?
5. In John 20:24-29, 21:2 Thomas gets dubbed "doubter," not twin. After all that they had just been through, does Thomas doubt in order to really believe, or does he doubt to harbor unbelief? What do you do with 20:29; are you blessed and believe even when the short term evidence doesn't add up, or are you a functioning atheist who persists in unbelief?
