

Finishing Deuteronomy

There will be no announcement sheets on Sunday, so we're giving you some options of things to do with your groups this week. Be strong and courageous and do something different!

Then expect blessings... and don't forget the "Blessing Feast" after church!

~ Go see the "Jesus Revolution" movie at Wildhorse on Wednesday evening.

~ Watch a favorite podcast.

~ Take a trip to visit a shut in.

~ Have a game night and/or dinner together.

~ If Sunday triggers anything for you and your people, keep the blessing discussion going.

~ Use questions from previous Deuteronomy Sundays that you missed. (Find them on the website or from previous LGL emails)
