

Futile or Fruitful?

~ Romans 1:20-21

1. Read Romans 1:20-21. What is the connection between “giving thanks” and “futile thinking”?
2. I Thes. 5:16-18 says we are to be thankful in *all* circumstances. How is that possible and how would that look to others around us?
3. Phil. 4:8-9 tells us to think on certain things. Why? Do you think Hebrews 4:12-13 answers that question?
4. How does “taking captive every thought” help to demolish strongholds (2 Cor 10:3-5)?
5. Scripture tells us that God loves us exactly where He finds us, but He loves us too much to leave us there. What does Romans 12:2 say about that?
6. How important to God are our minds and what we think?
