

# God Gave Them Over – Romans 1

Sunday August 2nd, 2020

- 1) What is the answer in verse 17 for the problems in the rest of the chapter? How do we do that in 2020?
- 2) Truth is suppressed with wickedness in verse 18 and exchanged for a lie in verse 25. Share some current examples of this.
- 3) How has God made Himself know plainly? What is an excuse that folks use today (verse 20)?
- 4) Why did God give them over in verses 24, 26 and 28? To what?
- 5) Even if you know God, what happens if you don't give Him thanks or glorify him (verse 21)? What specifically do we do to live by faith, give Him thanks and glorify Him?
- 6) A deprived mind leads to doing what "ought not to be done" (verse 28). Then things deteriorate to "approving of those who do evil" (verse 32). Where do you see this happening today?
