

# God, Show Yourself!

~ Isaiah 64

1. What is the grandest thing you have seen God come down and do?
2. How come God doesn't do more spectacular things as proof of his existence and power?
3. Do the things you have heard God do match your experience?
4. Who does God act for according to v.4?
5. Why does God seem to be slow to act or too patient from our perspective?
6. Why doesn't God terrify with the spectacular or force compliance?
