

God's Salvation & Vengeance

~ Isaiah 62-63

1. What is the significance of a new name when one comes to Christ or gets married (62:1-2)?
2. How is being God's people like being married, not a forsaken woman (62:4-5)?
3. How favored does v.12 make you feel?
4. 61:11 speaks of reward and recompense. 63:1-6 speaks to the fate of God's enemies. If people won't come to Christ compelled by His love, is it possible to "scare the hell out of them?"
5. How are God's salvation and judgment opposite sides of the same coin (62:11, 63:1 & 4)?
6. Why do we need to remember (63:7-14)?
7. How is God like a father (63:16)?
8. How is God like a husband (62:5)?
