Sunday, May 10th, 2020

- 1) Why is organization and detail important to God?
- 2) Why is the lamp set up first? Who is the light that is always there (John 8:12)?
- 3) How were the Levites set apart/ordained? Who is our high priest today? Do we do anything like this today?
- 4) Why do you suppose all this stuff must be done to the last detail before they set out into the dessert in chapter 10?
- 5) How does Jesus reinterpret the Passover complete with being the Passover lamb?
- 6) Why do you suppose the Lord make concession for the unclean, the traveler and the foreigner?
- 7) What does communion mean to you?
- 8) Discuss your sustainable plan balancing contagion and not being isolated and earning a living.
