

Productive Waiting

Sunday, July 2, 2017 ~ Matt. 25

1. How are we to keep watch according to Matt. 25:1-13? How does one stay in the wedding party? Why can't you share your provision with others?
2. How is the return of Christ like vs 14-30? Are you a 5, 2 or 1 talent person? What are you doing with what you have? Is the master fair?
3. How is the second coming going to be like vs 31-46? Who are the sheep? Who are the goats? Who are the "least of these brothers?"
4. Give specific examples of sheep-like and goat-like behavior. When are you tempted to be most goat-like?
5. How do we reconcile not giving (25:9) with giving (25:40)?
6. How do you feel about the second coming? *Informed & at peace / Defensive / Excited and energized / Watching expectantly / Paralyzed with fear / Guilty that you haven't done enough / Don't want to think about it*
7. How does chapter 25 complete and balance chapter 24?
