

Psalm 100: Praise & Thanksgiving That Leads to Worship

Sunday, December 1st, 2019

- 1) If you didn't use last week's questions, tell your redemption stories (Psalm 107) and what you are thankful for in the past?
- 2) If you want to go on, read Psalm 100 and share what you are most thankful for now and in the near future?
- 3) Do you see the difference between praise (up, shouting and marching) and worship (down and humble)?
- 4) V.5 talks of generational faithfulness, what does that mean looking back, how might that work in the next generation?
- 5) What should the next generation of Cornerstone look like?
