

Psalm 89: Who is Like God?

Sunday, Nov 17th, 2019

- 1) Psalm 91:2 review from last week: do you really trust in God as your refuge or Jesus for salvation? Really?
- 2) 89:1; specifically, how have you experienced God's love AND His **generational** faithfulness?
- 3) Why is it important that your mouth proclaims what God has/is doing in your life?
- 4) According to 89:5-8 do the heavens declare God or a big bang? According to these verses what else is going on "up there?"
- 5) For Ethan in 9-13, what do the earth and sea point to?
- 6) According to verses 14, how important is righteousness and justice in God's economy? In Psalm 82, is there any other adequate source?
- 7) According to 15-18, what can you expect if you learn to "Acclaim" God?
- 8) How does St. Paul further refine our understanding of the "assembly of the holy ones" (psalm 89:5-7, 82:1, 86:8) in 1 Corinthians 8: 5-7?
