

# Redemption Stories!

**Sunday, July 8, 2018**

*Many LIFE Groups didn't meet last week because of the 4th of July holiday, but the following discussion questions are so important that we all get another chance to think and talk about REDEMPTION! Don't be afraid to tell your story!!*

*Thank you to everyone who shared their stories at church this Sunday. Each and every story about how God redeemed (or is redeeming) someone through adversity or challenges inspires the rest of us to get even closer to our heavenly Father and let Him do what needs to be done in our lives. "Let the redeemed of the Lord say so!"*

1. What is your favorite redemption story in film? Why?
2. What is biblical redemption?
3. According to Galatians 4:4-6, who is your redeemer? What is the result?
4. According to 1 Peter 1:18 & Titus 2 :12-15 what were we redeemed with?
5. According to Galatians 3:13 & Hosea 13:14 what were we redeemed from?
6. According to Rev. 14:3 what can the redeemed do?
7. What is a current redemption story that God is doing in you or around you?
