

Righteousness

~ Gen 15

1. What fear did Abram have; the vision, invading armies or being childless (1)?
2. The word came in a vision (1), behold the word (4), and in a deep sleep (12). How do you hear the Word of the Lord?
3. "The word", "I am", "the Lord"; is this a preincarnate Jesus visit?
4. How was it counted to him as righteousness (6)? Is it any different for the Jew or Gentile (Rom. 4:11)? What is the only way you can be righteous today?
5. Was this Abram covenant, like the Noah covenant, conditional or unconditional?
6. What is the positive and negative of God's promise to Abram?
7. How does the sin of the Amorites affect Abram's descendants (16)?
