

Seek the Lord or Not!

Sunday, March 27th, 2022

- 1) Why did Asa call on the Lord (2 Chronicles 14: 11)? Why did God answer? Would this work for the Ukrainians today?
- 2) Is 15:2 specifically for Asa or is this more generally true?
- 3) How could there still be “detestable idols” in the country and the Lord’s altar in disrepair (15:8) after 14:5?
- 4) What would it look like to do this today (15:12 & 15)?
- 5) How can there continue to be grass roots compromise (14:5, 15:17, 17:6, 20:33)?
- 6) Who is the Lord looking for in 16:9? Where? See also John 10:16.
- 7) What happens to one’s enemies when one seeks the Lord according to 17:10 & 20:29.
- 8) What might our idols or “high places” be that we keep?
