

Shipwreck!

~Acts 28

1. Is God's word more valuable to you in good times or bad?
2. What storms have you weathered or are weathering that you are not sure you wanted to live through?
3. How big would the boat have to be for you to be comfortable with 276 people on board in rough seas?
4. How has God encouraged you in the middle of a storm (Acts 27:23)?
5. Have you "listened" to the point that it has transformed your whole life and given you reason to live that is bigger than life itself (28:28)?
6. Do you think Paul would have been tempted to go back and retire on the Mediterranean island of Malta where he was loved instead of going on to the ends of the earth?
7. What is the fate of the Jews then after rejecting the Gospel (Acts 28:28, Rom 11:25-26)?
8. Is there anything that Acts says to do that you have left undone?
