

Should I Say, or God?

Acts 21

1. How hard do you suppose it was to find believers in Tyre? Do you put out the effort when you are on the road to find believers on a Sunday?
2. How do you suppose the reunion between Paul and Phillip went?
3. Did the Spirit direct Paul to go (20:22)? Did the Spirit say not to go (21:4, 12)? How do you reconcile this (21:14)? Why did they urge him so strongly?
4. v.24 ~ Did Paul really live in observance of the Law when he was in Gentile country?
5. Where was James and the thousands of Jewish believers when Paul was seized? Were they part of the crowd that was against Paul?
6. What do you know in more modern times of believers persecuting believers?
