

Special Events!

There are no discussion questions this week because we're all getting together for **NATIONAL NIGHT OUT on Tuesday from 6-8pm** at May Park by the John Murray Building worship center. The whole neighborhood is invited to join us, and there will be food and fun. Come join us!

Then next **Sunday, Aug 12 will be CHURCH ON THE MOUNTAIN!** Escape the heat and join us, along with SonRise Church from La Grande and Community Presbyterian Church from Umatilla, to worship in God's natural cathedral

It's just 15 miles east of Pendleton on I-84 at the Brill's home. Maps available at the church office, or call the office at 541.2676.3987 for maps/directions, or carpool with some Cornerstone people! Come early. Stay late. Bring a side dish, salad &/or dessert to go along with meat & beverages provided by Cornerstone!! (Lawn chairs would be good to bring too, although some folding chairs will be provided.)

A great day is in store for all, to the glory of God amid His glorious creation!
