

The Birthing of the Churches

~ Acts 18

Plan "A": Take your group to the Good Friday service at the Nazarene church.

1. Do a little research on one of the names listed in chap. 18: **Aquila, Priscilla, Titius Justus, Crispus, Gallio, Sosthenes, Apollos**. What is their significance?
2. Who is your favorite Bible teacher/preacher?
3. What was Paul's attitude towards these guys?
4. How was even the government for Paul as the Lord said in v.10?
5. How does Sosthenes go from getting beaten by the government to converted (1Cor. 1:1)?
6. At the end of this chapter, which leaders are at which churches?
