

The Cup of Thanksgiving

Sunday, Nov. 26, 2017 ~ The Cup of Thanksgiving

1. To show your gratefulness for all the blessings you have, volunteer as a group to do something meaningful in our community to pass the blessing on.
2. Plan something fun to do as a group during this season! Cut Christmas trees, go caroling or 'bazaaring', have a bonfire... just revel in your time together!
3. Beyond the usual things that come to mind first, what are the deeper things you are thankful for? Use the inside of this sheet to actually write them down to remember them.
