

# The Effect of Righteousness

~ Isaiah 29-39

1. What does Isaiah mean in 29:13? Has this ever been you?
2. When have you made a wrong turn then been straightened out by “the voice” (30:21)?
3. The attributes of righteous rule– hiding place, shelter, water & shade– are described in 32:2. Is this our world or are we more exposed?
4. Do you know the effect and result of righteousness in 32:17?
5. After the judgment of 34, how refreshing is chap. 35? Where do we seem to fit on the continuum of judgment (34) and blessing (35)?
6. What happens to those who mock God (37:4, 36-38)?
7. Can you identify the “righteous,” the “fool” and the “evil” in this section of Isaiah, especially chap. 32?
