

The Godly Rescued!

Sunday, June 19th, 2022

1) Who were some biblical false prophets? Who are some false teachers among us today (verse 1)?

2) What is the false teachers' motivation; why do people follow (verses 2-3)? How do they end up?

3) Discuss the three examples that are given:

- Fallen angels
- Noah and his generation
- Lot and his generation

4) What is the hope that verse 9 gives us?

5) If we are not growing in Godly character (from chapter 1) but indulging sensuality (2:7) and lustful passions and despising authority (verse 10) what do we expect God to do with us?
