

Without Spot or Blemish! / Scheduled for Demolition!

- 1) If you were in charge of the world's clock, would you slow it down, keep it the same or speed it up? Why?
- 2) Why does God's creation of the earth support Peter's contention that he will also destroy the earth (verse 10)?
- 3) Why is that so difficult for some people to believe? What does this tell you about their perception of God?
- 4) How does Peter's reference to Paul also encourage his readers in right behaviors (verse 15)?
- 5) What is Peter's final antidote to the false teachers of his day (verses 17-18)?
- 6) Does this chapter encourage you to talk about Jesus more to the people in your life that may not know him? Why or why not?
- 7) If the clock ran out tomorrow, would you be ready or are there still things you need to get in order? Why wait?
